Closing date for booking: No booking required.

HOPE not Hate Network Group Offer 2020-21

In a context where there is a relatively small visible ethnic minority and with some areas of Abingdon featuring in the bottom 1% of the Indices of Deprivation, this mission statement is one that is both apposite and necessary. It's not difficult to see how fear and suspicion could thrive under those circumstances. But we have committed ourselves to 'broadening the horizons' of the children of Abingdon and the surrounding villages and we have two great avenues through which this could be done. Wouldn't it be great for us to be able to say:

"Pupils in Abingdon schools do not embrace or tolerate prejudicial views or language: they see themselves as global citizens and there are no outsiders in our schools."

It is about the flourishing of humanity and we have amazing opportunities – and a moral imperative – to help that to happen.

HOPE not Hate Network Group meetings

Meeting 1:

Meeting 2:

Meeting 3:

Meeting 4:

HOPE not hate

Hope not hate is a charitable trust which aims to teach young people about day-to-day prejudice, discriminatory language and to discuss society's shared values so that we can promote more inclusive environments. The idea is that a group of pupils/students engage with the programme and disseminate what they have learnt back in their own schools. They will be guided by a designated member of staff who will help them to do so. It is hoped that the programme will run over two years.

Course name: HOPE not hate – an introduction

Outline:

Suitable for: Hope not Hate leads.

Provider:

Timings and venues: from 3:45-5:00pm. at Marcham School.

Number of places: Not applicable.

Cost: No charge to APS member schools (included as part of membership).

OTSA Leadership Courses Offer

Course name: OTSA Middle Leader Programme 2019-20 completion

Outline: The central focus of the OTSA Middle Leader Programme is to identify and consolidate knowledge and understanding about leadership and management to achieve high quality teaching and learning and thereby close the gaps in pupil achievement in our schools. The programme is designed for middle leaders who have responsibility for leading subjects, key phases, pastoral responsibilities or other aspects of the schools work. It is suitable for middle leaders in every educational context including early years' environments, primary schools, and special schools through to large faculties in secondary schools. This exciting new programme is centred on resources developed by John West-Burnham and Linda Rowe, writers of the original NCTL Middle Leader Development Programme (MLDP), in partnership with programme facilitators. The OTSA Middle Leader Programme includes 8 modules which will be facilitated by OTSA partner schools in local clusters across the region.

Modules:

1. The importance of middle leadership;
2. Understanding effective leadership;
3. Leadership and change;
4. Leading teaching and learning;
5. The role of data in leading change;
6. Leading teams for high performance;
7. Middle leadership and collaboration;
8. Developing your own leadership potential.

The programme:

Programme participants will attend a minimum of 6 three hour events over a period of 9 to 12 months where they will work with colleagues to deepen their knowledge and understanding of highly effective leadership.

Participants will work on an authentic leadership project which responds to a genuine school need and makes a direct contribution to school improvement. Schools will need to support participants during the programme through providing a senior colleague to act as a mentor and coach to offer guidance, challenge and, where appropriate, advocacy.

Participants will be expected to complete inter-sessional tasks, and to attend ALL of the face-to-face

sessions. Successful completion of the programme, which includes a presentation to the school leadership team, will be recognised through the award of an OTSA Middle Leadership Programme certificate.

Provider: OTSA with Will Speke (Fitzharrys) and Katherine Johnson (Marcham).

Timings and venues: Attendance required at all sessions:

1. Session 5 – Thursday, 22nd October 2020: remotely/on-line via Zoom at 3:30-6:00pm.
2. Session 6 – *Thursday, 21st January 2020: Venue agenda and timings to be confirmed.*

The aim for session 6 is for attendees to write up their projects and prepare presentations which may include some of the module content.

Cost: £350, however, £300 will be refunded to APS member schools (included as part of membership) on completion of the course and providing the course is attended in Abingdon.

Number of places: Abingdon Partnership funding available for one place per school in the first instance.

How to book: online booking via the OTSA website.

Closing date for booking: see details on OTSA website.

Course name: OTSA Middle Leader Programme 2020-21 onwards

No information on the course offer is available at this time. The Partnership and OTSA are seeking a primary teacher to work with the secondary teacher counterpart in delivering a training package for future cohorts. Please contact sarah.knight@otsa.org.uk for further information. Facilitator training has been planned via Zoom for:

Session 1 – Thursday, 24th September from 4:00-5:00pm.

Session 2 - Thursday, 10th December from 4:00-5:00pm.
